

PVC HPL LAMINATES

Premium Colors with Premium Quality

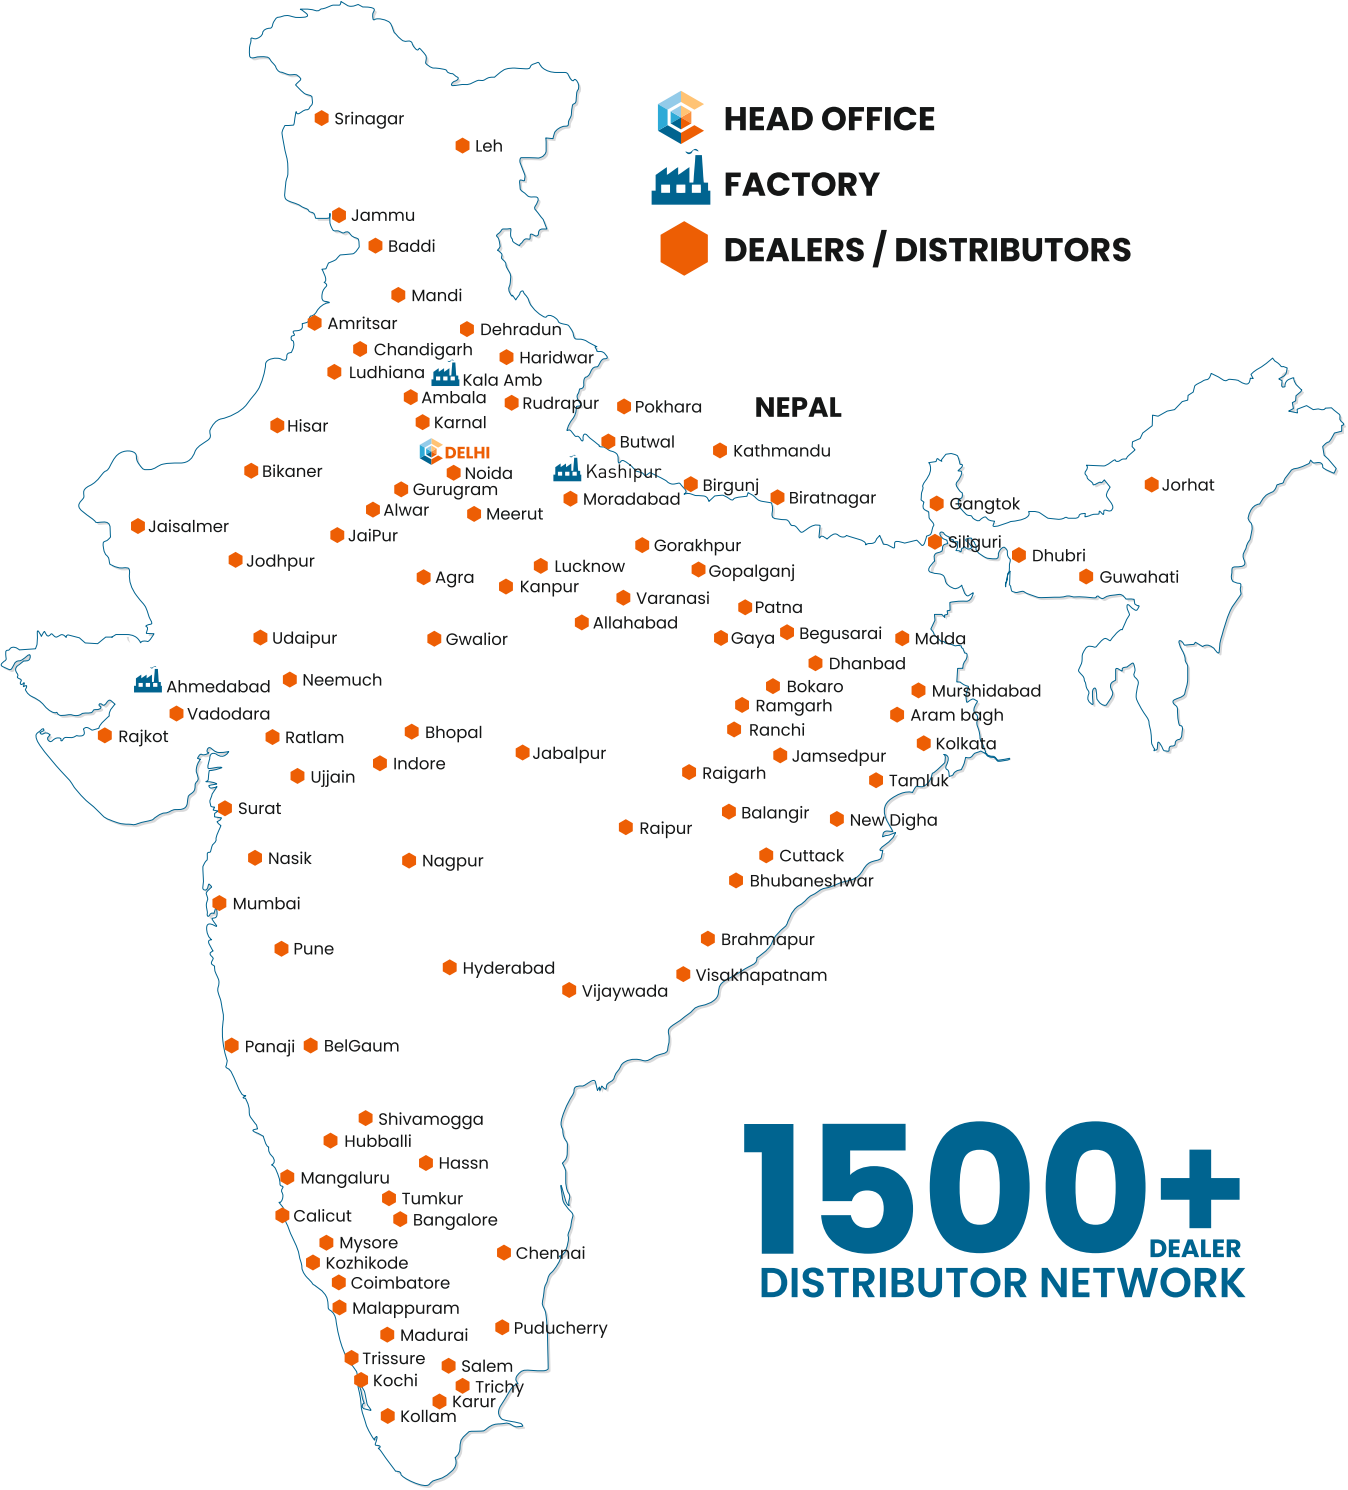

ABOUT CROSSBOND

Crossbond PVC laminates have been carefully crafted to exceed the interior decoration needs of our valuable customers while maintaining high quality standards. Our extensive product range and strong sense of urgency makes us a consistent partner for all your needs.

With more than 26 Years of experience in the panel and wood manufacturing industry. Metro Group is the proud operator of Crossbond. In its path to continued growth and development. Metro Group has invested heavily in infrastructure and research. In addition to manufacturing PVC laminates. Metro Group also manufactures Plywood, Particles Board, MDF Board, CARB MDF, MDHMR, MARINE 710 BWP-HDF, Crystal UV, UHD Acrylic Panels, VANITY+, ACP, HPL, APP & PVC LAMINATES.

At Crossbond, we focus on the latest global trends to manufacture new products that are of superior quality, easy to install, resistant to damage and are available in a wide variety of colours, sizes and designs. Our ability to continuously innovate has been well received by architects, builders, fabricators, and end customers.
